

BEAVERS

Beavers Report 2019/20

Annual Sundown Trip

September saw four coaches of Beavers, leaders and occasional helper descend on Sundown adventure land. As usual they had a great day with lots of laughs & ice cream.

Beaver Leaders Night Out

In November it was the leaders turn to have some fun, with our leaders night out.

District Christingle Service

In early December we held our Christingle service at St Marys Church, Wyke. As usual it was very well attended by Beavers, Leaders, siblings and parents. We held a tin & dried food collection for the Wyke food bank and raised £74.00 with a coin collection for Martins House.

Bronze Awards Ceremony

In January almost 80 Beavers from every colony in the district were presented with the highest award a Beaver can achieve at Bradford City Hall by the Lord Mayor.

District Beavers New Year Party

We held our annual party at the 34th HQ in January. The Beavers played lots of different games, ate fruit kababs, sang campfire songs and learned songs in Makaton.

Beavers in Lock down

From March our planned events were cancelled or postponed due to Covid-19. But in true Scouting tradition Beaver colonies continued to work hard to achieve badges, have fun, meet with friends virtually get involved in virtual sleepovers, den building and campfires.

Most of our colonies are still Scouting either via Zoom or having tasks send to them by Face book or email. Lots of our Beavers & Leaders enjoyed joining other Scouters from across the County at Virtual Big Camp.
