## 25<sup>th</sup> World Scout Jamboree Jamboree Scout Mondial

The World Scout Jamboree is the largest scouting event organised by the Scout Movement, gathering up to 50,000 people from all over the world. It is above all an educational event to promote peace and understanding. The World Scout Jamboree includes a wide variety of activities and also places great importance on everyday life and interaction on the campsite.

The World Scout Jamboree takes place every four years in a different country.

We're so excited that Bradford South Scouts has been allocated 5 places to become part of the UK Contingent to the 25 World Scout Jamboree in Korea during 2023.

You will join up 72 young people from West Yorkshire which will form up into 8 patrols to become part of the UK Contingent to the 25th World Scout Jamboree in Korea during August 2023. Where up to 50,000 scouts from around the world will join together in the Jamboree.

That means we need to recruit 5 young people who will make the most of the life shaping experience the World Scout Jamboree will provide.
